INTRODUCING ABOUT ME

I am a Brazilian architect with a postgraduate degree in interior design, bringing over two decades of experience in both commercial and residential projects. Since earning my architecture degree in 2001, I've developed a deep passion for creating spaces that balance functionality with aesthetics. In 2016, I moved to Dubai, where I've had the opportunity to expand my work on diverse and dynamic projects. My design approach focuses on blending cultural influences, contemporary trends, and timeless elements to craft unique environments tailored to each client's needs.

VISION & MISSION

My design approach is grounded in the belief that spaces should not only be visually appealing but also serve a deeper purpose. Every environment I create is a reflection of the individuals who inhabit it, blending functionality with aesthetic harmony. I believe that the spaces we live and work in have a profound impact on our daily lives, shaping our experiences, well-being, and productivity.

My goal is to design environments that are not only elegant and sophisticated but also deeply personal and meaningful. Whether it's a luxury showroom or a residential space, I aim to create a seamless fusion of contemporary trends with enduring elements, ensuring that every project remains relevant and inspiring for years to come.

COMMERCIAL

The showroom should evoke the atmosphere of a high-end private club, offering clients an intimate and personalized experience while showcasing the brand's craftsmanship and exclusivity.

01

The challenge for this project was to create an elegant and exclusive space that combines the sophistication of British heritage with the contemporary allure of luxury watches.

A rich and timeless color scheme set the tone for the showroom. Deep, luxurious shades like gray and warm browns complemented by touches of brass created a cozy yet opulent atmosphere.

Furniture in marble and dark wood, leather seating, comfortable velvet armchairs and a floor to ceiling cabinet designed to serve as both an elegant display watches and a discreet, functional coffee station further reinforce the intimate and exclusive feel of the club. The opposite wall in the same color of the cabinet, covered in paneling display a series of five photos, each representing a milestone in the brand's customization journey.

As an extension of the British private club's refined aesthetic, these pieces have been crafted using premium materials and meticulous detailing to enhance the presentation of the watches and jewelry, emphasizing the exclusivity and craftsmanship of the accessories!

RESIDENTIAL

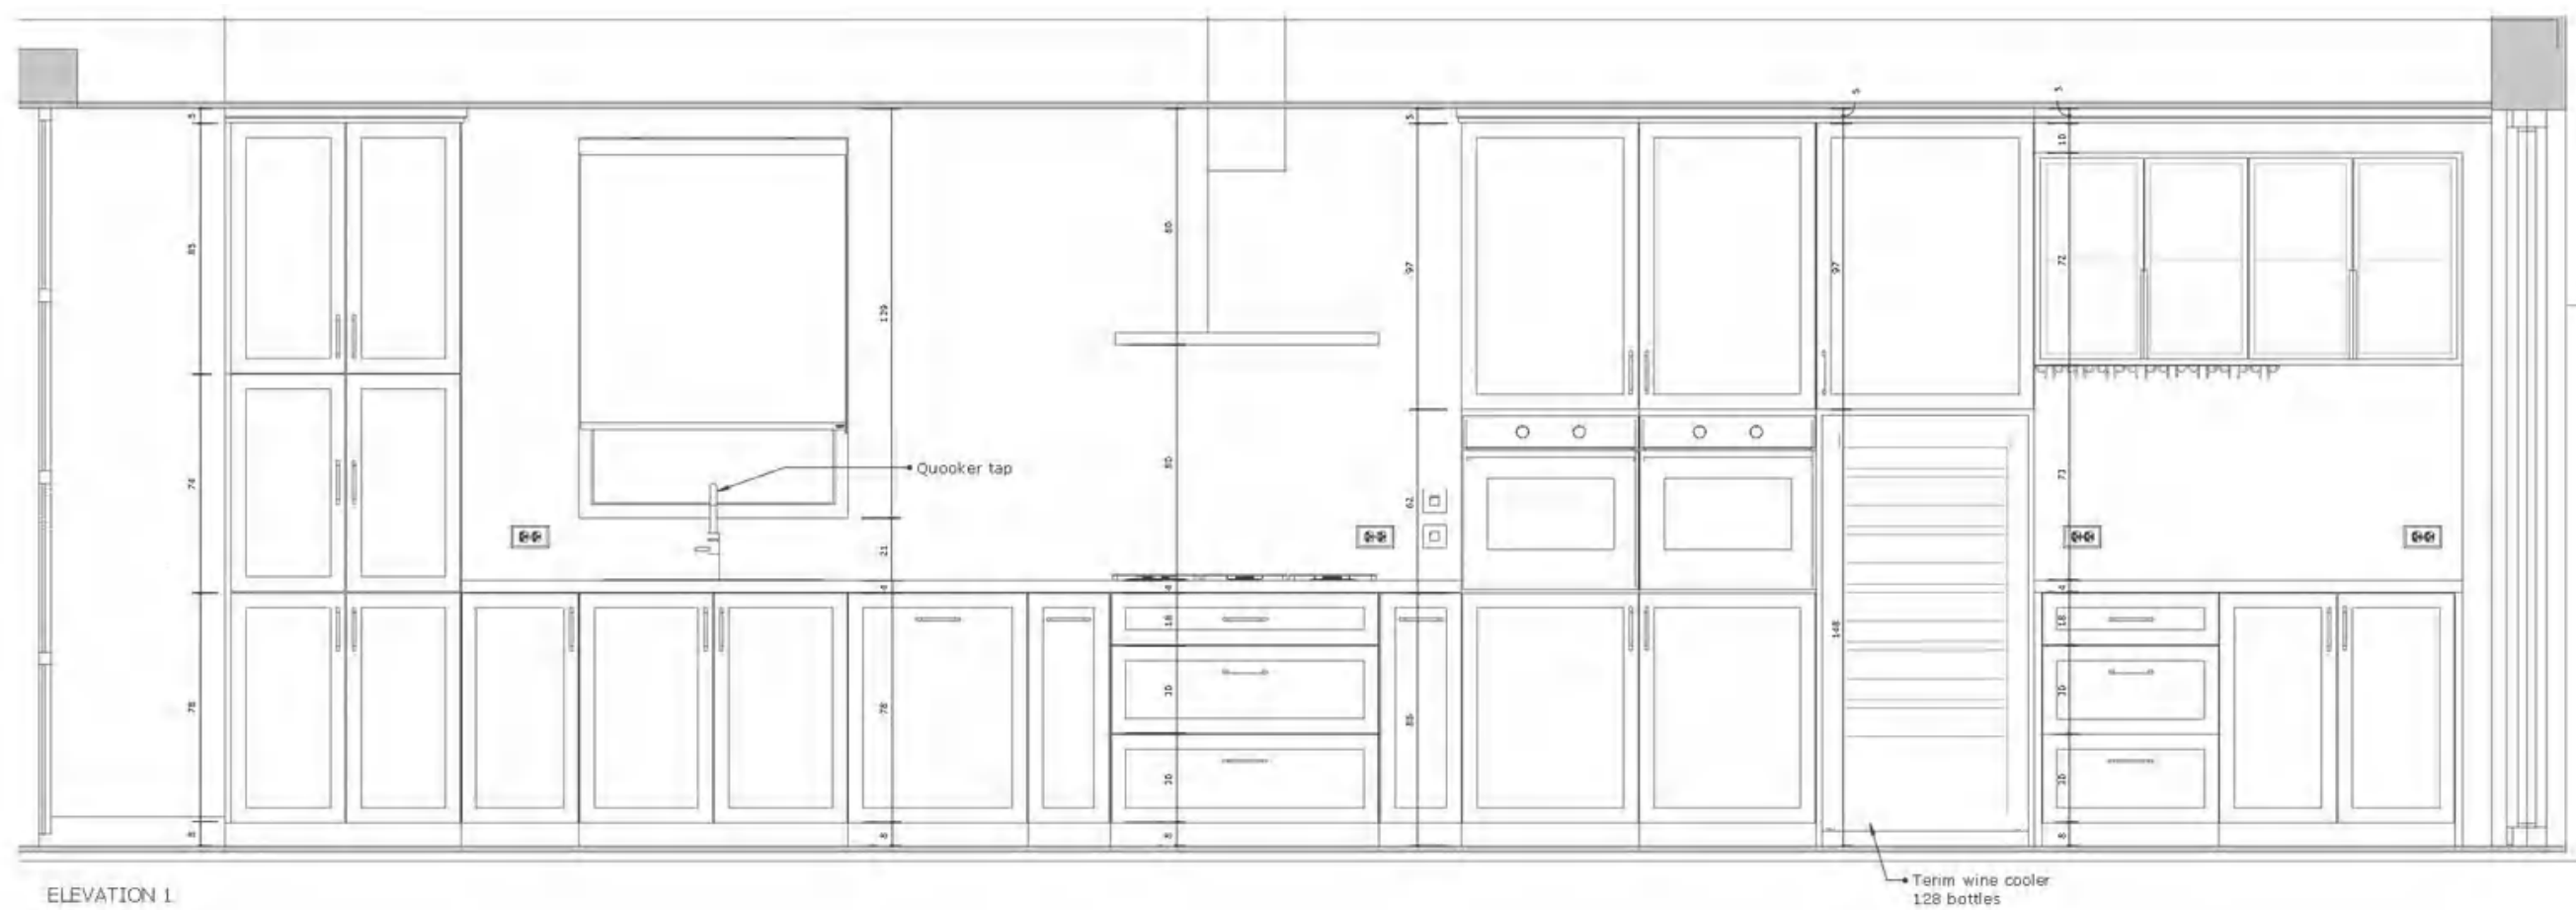

This villa design exudes a harmonious blend of modern elegance and natural warmth. A palette of neutral tones—white, gray, and black—complements the rich almond wood flooring, creating a timeless and serene atmosphere.

The living room serves as a stylish focal point with a built-in TV cabinet and a sleek fireplace, illuminated by subtle LED lighting . A large black-framed mirror enhance the room's depth, while sheer curtains introduce a soft, airy ambiance. A glass sliding door with a black frame opens seamlessly to the kitchen, creating a sense of fluidity between the spaces.

The family seating area, designed for both comfort and style, features a cozy sofa set around a low cement coffee table, while in the dining room, a rustic wood table with resin accents becomes the centerpiece, blending natural elements with modern sophistication, making it a perfect space for gathering and entertaining.

RESIDENTIAL

This apartment blends classic sophistication with contemporary elements, creating a timeless yet modern space. The neutral color palette is complemented by luxurious wallpaper and refined boiserie, adding depth and texture to the walls. Almond wood flooring brings warmth, while tables in white marble offer a striking contrast with touches of brass and black, infusing the space with elegance and subtle glamour.

Soft fabrics for the upholstery enhance comfort and create a welcoming atmosphere. Custom-built cabinets, meticulously designed with attention to every detail, ensure both practicality and a sense of refined luxury, providing the clients with a living space that seamlessly balances comfort, functionality, and elegance.

SHORT TERM RENTAL

This studio is designed to offer a distinctive and memorable short-term rental experience, combining functionality with style. A feature wall of wood paneling adds warmth and texture, while cement-colored flooring and crisp white walls create a spacious, open feel. The choice of white walls not only amplifies the sense of space but also provides a clean, modern backdrop.

The furniture is carefully selected for comfort and practicality, ensuring a welcoming environment for guests. Each element is thoughtfully designed to enhance the overall experience, catering to travelers who seek unique and competitive accommodations that stand out from the ordinary.
